Capital Region Values Survey

A new initiative of the Capital Area Regional Planning Commission called *A Greater Madison Vision* asks residents to complete a survey to better understand priorities and values in the Madison area. A partnership of private and public leaders, the initiative seeks to build on regional values to form a vision and strategy for growth and development. All residents of Dane, Sauk, **Columbia**, Dodge, Jefferson, Rock, Green and Iowa counties are [encouraged to take the survey](http://www.agmv.vision/get-involved/values-survey/) (<http://www.agmv.vision/get-involved/values-survey/>)

Learn more about the survey and how it will inform plans for future growth and transportation needs in the region by visiting www.agmv.vision. For more information contact [Larry Palm](#) or [Steve Steinhoff](#).
