WEST BOUNTIFUL CONGRATULATES...

2014 MOTHER OF THE YEAR

Angel Christensen, 1292 N 600 West, is our Mother of the Year for 2014. Nominated by a few of her neighbors and friends, Angel is a wonderful example of what a mother should be. Despite her own trials, Angel not only takes care of things at home but reaches out to others in need. She centers her life around her boys and is always thinking of what she can do to improve their lives. She is always fun and excited to take on each and every day.

Volunteers who have had the opportunity to serve this family say Angel is the sweetest, most tender woman they know and that they gain much more than they give. It is clear that Angel lives up to her name in every way.

2014 YOUTH CITIZEN OF THE YEAR

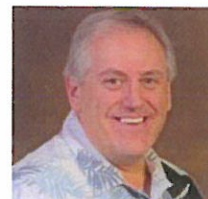

Megan Nadauld, 1544 N 1100 West, is West Bountiful's Youth City Council Mayor. She has been on the West Bountiful Youth City council for 4 years and has had the opportunity to participate in parades, help organize the annual children's Easter egg hunt as well as many other service projects in the community. She has participated in leadership activities and is always the type of person to work hard and maintain a good attitude.

Megan is the second of seven children; with 3 brothers and 3 sisters. Growing up, Megan participated in soccer, baseball, gymnastics and dance. She also enjoys playing the piano. Megan likes being outside and going on 4 wheeler rides, hiking, and riding horses. She especially enjoys spending time with her animals. Megan loves children and enjoys spending time with them and finding ways to make them happy.

2014 CITIZEN OF THE YEAR

Mike Leger has been selected as West Bountiful's citizen of the year for 2014 by the West Bountiful City Arts Council. For many years, Mike has contributed countless hours of service to the community through his work with the Arts Council. He is there every month at the Friday concert supporting the performers with the sound system. He also provides sound for the performers on the 4th of July, and his Endless Summer band offers entertainment prior to the fireworks on July 3rd. He has given years of service to the youth of this community, and more than that, he is Alan and Bea Marsden's son-in-law!

Mike has been a citizen of West Bountiful since his youth. His dad built the cabin on 1100 West next to the north side of the Golf Course and Mike lived there as a youth. He loves the small town feel of West Bountiful and their celebrations.

Water Rates are dropping!

See
Page 2
for
details

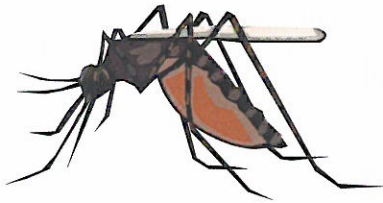

OUR COMMUNITY COUNTS

WATER RATE REDUCED!!!

The City Council approved new residential utility rates that will take effect on July 1 reducing your base rate water bill from \$63 to \$50 per month. This is a result of a commitment made by the City Council to review water rates that were increased four years ago to cover the cost of old line replacement, other water sources for our city, and to create an emergency water fund for unexpected expenditures. The Mayor and Council are committed to reviewing these rates regularly in order to meet the needs of the water system. Other rate changes include a garbage can increase of \$1 and a storm drain increase of \$2, **resulting in an overall base rate reduction of \$10 per month.**

FREE SHREDDING! Horizon Credit Union will offer free paper shredding on Saturday, June 7th from 10am to noon at 105 S 500 West in Bountiful. This is a free community event for residents who would like to have their private documents properly destroyed in a SAFE and efficient way, and there is no limit to how much paper you can shred. Some examples of items that may need shredding are unneeded documents with Social Security numbers, account numbers, other materials with personal information, and personal checks.

MOSQUITO ABATEMENT - *TAKING CARE OF THE THINGS THAT BUG YOU!*

Davis Mosquito Abatement is committed to keeping our community safe from diseases by monitoring and controlling mosquitoes. You can assist them by doing a few things around your home to prevent mosquitoes from breeding. Get rid of standing water and things where standing water can collect like plastic containers, empty planters, pools, old tires, etc. Mosquito Abatement teams spray regularly in our city but will do extra spraying upon request. To learn more or schedule a spray go to www.davismosquito.org

JOIN THE YOUTH CITY COUNCIL

Youth City Council applications for the 2014-15 school year are being accepted at City Hall until July 1 for youth, ages 13-17. Applications are available at City Hall or online at www.wbcity.org

PUBLIC WORKS

SOME FRIENDLY SUMMER REMINDERS

- Watch for kids playing in the streets and riding bikes and please drive slowly through neighborhoods
- Don't let weeds get out of control. Keep them cut to less than 6 inches. (See Municipal Code 8.12)
- Remove empty garbage cans from the street as soon as possible after being emptied (See Municipal Code 8.08)
- No watering between the hours of 10 am and 6 pm
- Keep gutters clear of debris. We all live downstream!
- Keep trees and shrubs trimmed and clear of sidewalks, and sight triangles at street corners
- Don't leave children and/or pets in unattended vehicles
- Putting in a fence, planting a tree? Call 811 before you dig
- Building or remodeling? Get the City a call to see if you need a permit

I-15 Construction

Construction continues on I-15 as UDOT adds Express Lanes in both directions from the north I-215 interchange to U.S. 89 in Farmington; replaces aging bridges at 2600 S, 1500 S, 500 S and 400 N; reconfigures the interchanges at 2600 S and 500 S to improve east/west mobility; and improves active transportation with better pedestrian facilities at 500 S, 400 N, and Parrish Ln. I-15 will remain open without restrictions during peak hours.

Highway construction is expected to complete in December 2014 with interchange and bridge construction continuing through Summer 2015.

For more information and to sign up for email updates, go to www.udot.utah.gov/i15southdavis

PROJECTS in the WORKS: *Thanks for your patience while we improve our City*

800 West

Reconstruction along 800 West north of Pages Lane will begin on June 2nd. The project will include replacing water valves, fittings, and laterals, removing asphalt and rebuilding the road. The first section to be done will be Pages Lane to 1950 North, and the second section will be Porter Lane to 2320 North, with each section being reconstructed taking 6 to 8 weeks to complete with some overlap. Full road closures will be necessary during some portions of the construction. **We appreciate your patience** as we work to improve our infrastructure.

Hydrant Flushing

We will be flushing fire hydrants throughout the summer to move stagnant water from dead end lines and to exercise the moving parts in the hydrants. When we do this, sediment is stirred up which may cause discoloration in the water. If this happens, you can run your faucets for a few minutes to clear the water. Discolored water is still safe to drink.

VOTE BY MAIL

The Davis County Clerk/Auditor's office announced that the 2014 Elections, held in Davis County, will be conducted By-Mail. Registered voters will receive a ballot in the mail approximately 28 days prior to each election, and will have the choice to return their ballots in one of 3 ways. They can mail it in a postage paid envelope; place it in a drop box at the City offices; or return it on Election Day to one of 7 vote centers, including Bountiful. The Vote Center will also be available to serve voters who may have misplaced or lost their ballot, whose voter registration has not been updated, or those who feel more comfortable voting the traditional method.

SOLICITORS

Springtime brings nicer weather but also an increase in door to door sales. West Bountiful has strict requirements for Solicitor licensing. Once a solicitor successfully completes the licensing process, the City will issue a laminated "West Bountiful Solicitor License." The card will include a license number and must be carried by the licensee, and presented upon request, while engaging in business in West Bountiful. Hours for solicitation are from 10 am to 6 pm. If a sales person comes to your door and is unable to present a license, call Police Dispatch at 801-298-6000.

Who You Gonna Call?

We all know that it is important to keep 911 lines open for true emergencies, but sometimes it's hard to know who to call for things that are not an emergency. Well, today's your lucky day, because I am here to give you the numbers and the know-how to get the best police services in Utah.

- **Dispatch - 801-298-6000** - A team of trained professionals standing ready 24/7, 365 days to provide **you** a direct link to law enforcement. Would you like a police officer to swing by your house when he has a minute to talk about a concern or question? Call dispatch. Did you see something suspicious, and you're not sure if the police would be interested? Call dispatch. Is there a dog barking late into the night, a broken water line in the street, or something missing from your garage? Call dispatch! Program this non-emergency number into your phone today!
- **Police Department Business Office - 801-292-4487** - Ever need a set of fingerprints taken? What about a copy of a police report? Maybe you'd like the police department to make a presentation to a neighborhood or church group. Never hesitate to give our office a call for these or any other administrative need. Normal hours are Monday-Thursday 8:00am – 5:00pm and Friday 8:00am – 3:00pm
- **Police Chief - 801-292-4487** - I know this is the same number as the business office, but I seriously hope every resident is comfortable in giving me a call if there is ever anything on your mind about police services in West Bountiful. We strive every day to provide the best police services available, and we can't do it without your support and willingness to speak up.
