Road Construction Projects Planned

West Bountiful City has several road construction projects planned for this spring and summer.

1. 1100 West from the Mill Creek canal to 500 South will have curb and sidewalk added to the east side of the road, and the road will be widened to accommodate the new improvements. This is a joint project with Holly Frontier and will likely begin in March.
2. Pages Lane from 800 West to 1100 West will be resurfaced and widened with bike lanes, and will have portions of new curb and sidewalk. Sidewalk and bike lanes will then be complete from the City Park to 1100 West. This project will likely begin in June of 2018 and is being funded primarily through grants from the Utah Department of Transportation.
3. 640 West will be widened and have new curb and sidewalk added on both sides of the road at our border with Centerville. Sidewalk will then be available from Porter Lane to Parrish Lane. This project is scheduled for sometime in the summer of 2018. This project is being funded by grants from Davis County and Utah Transit Authority.

West Bountiful receives new veterans monument

A new monument stands next to the flag pole outside city hall. Ed and Paula Swanke donated the monument to the city to show their appreciation for all who have served and continue to serve in the military.

The Swankes have a great legacy of veterans in their family. Paula's father served as a Merchant Marine during World War II, her brother was a Command Sgt. Major in the U.S. Army, and her sister also served in the Army. Ed's grandfather served in the Army during World War I and his father was in the Army Air Corp in World War II. Ed served in both Vietnam and in Desert Storm, and Paula was nominated for the CMH.

The fabrication comes from Kim Archer, State Brass & Casting, and Jeff Powell, Stainless Dynamics Corp.

Mr. Swanke said he hopes the silent display will remind everyone of "all those that serve our country."

Elected Officials Sworn In

On January 16, our newly re-elected city officials were sworn into office. Congratulations Council member Mark Preece, Mayor Ken Romney, and Council member Kelly Enquist!

Plant Trees

Arbor Day will be celebrated on April 3 by planting 20 trees donated by Holly Frontier. Fifteen of the trees will go to the golf course and 5 will go to the Park. Contact the city if you are interested in helping to plant these trees.

Street Lights Out?

Help us by reporting street lights that are out in the city. Call the city offices at 801-292-4486 so we can get them fixed.

Help Wanted

The city will be hiring seasonal workers for Spring and Summer. Lakeside Golf Course will hire part-time maintenance workers, range attendants, and Pro shop starters. The city will also need city parks assistants. Check out the city website: www.WBCity.org for more information.

Animal Ordinances

The city frequently receives complaints about dogs and cats running loose. As the weather improves, it's nice to get outside with your animals but please ensure that your dogs are on a leash any time they leave your fenced yard or home, and that messes made by your animals are cleaned up, including horses when on the street or paved trails. This is especially important in areas where people gather or tend to walk. Leashed dogs are allowed on the Prospector and Onion Parkway trails, but only service animals are allowed in city parks.

**NO PETS ARE
ALLOWED IN
CITY PARKS**

Farm animals such as horses, cows, goats, sheep and chickens are allowed on residential properties based on a point system of 100 points per acre. For example, $\frac{1}{2}$ acre properties get 50 points, $\frac{1}{4}$ acre properties get 25 points, etc. Large animals, such as horses, require a minimum of .4 acres and are 40 points each; medium animals are 20 points each, and small animals such as chickens are 4 points each. When considering animals, there are other requirements including setbacks for animal structures that need to be reviewed. For more information, check out the Farm Animal ordinance on the city website under Government/Zoning Information.

If you encounter a problem with animals in our city, please contact the WB Police Department at 801-298-6000.

Weed Abatement

Residents love the beautiful spring and summer weather in West Bountiful, but with it comes WEEDS. Please keep the weeds in your yard maintained. If you own a vacant lot, please check your property often to make sure they do not become a problem. For more info, check out West Bountiful's Nuisance Ordinance, Section 8.12 in the Municipal Code on the city website. If properties fall into violation and are not addressed after being noticed, fines of \$100 per day may be assessed.

What is going on in the city?

Communication is important. As a city, our goal is to make sure residents and visitors have access to the most current information possible. Please check the website www.WBCity.org, the city Facebook page <http://www.facebook.com/WestBountifulCity>, or the city Twitter page @westbountiful frequently to stay on top of current happenings in the city.

**SECONDARY WATER WILL BE
TURNED ON MONDAY, APRIL 17.**

Please make sure your main control valve is off no later than April 15 to avoid potential flooding problems.

Help Update West Bountiful History Book

We are still updating the West Bountiful History (blue) book that was printed in 1989 and we need your help! Do you have any city history you would like to share? Please send pictures and/or articles to Debbie McKean at WBHistoryBook@gmail.com.

Flood Potential Maps

The Federal Emergency Management Agency (FEMA) has the responsibility of assisting individuals and communities in the event of natural disaster. Besides assisting in the aftermath of such disasters, FEMA also has the responsibility to evaluate flooding potentials. The flood potential from natural drainages is shown on Flood Insurance Rate Maps (FIRM) for the more developed areas across the United States, including our community. The FIRM maps are available for review at WB City Hall and at any Davis County Library. Anyone interested in reviewing the FIRM maps can contact the City.

City Storytelling Soirée

Celebrate a worldwide tradition by joining the arts council on Friday the 13th for West Bountiful's inaugural storytelling event

FRIDAY, APRIL 13, 2018 - 7 PM

Storytelling events are hosted in many towns and cities all over the world. Did you know that we have outstanding storytellers right here in our very own West Bountiful? Yes, we do! And you can come and hear them for yourself at our inaugural West Bountiful City Storytelling Soirée; set for April 13 at 7 pm at city hall. Don't get creeped out or spooked just because of the date!

This new event is going to be FUN! Come listen to five original stories told by master storytellers. You won't regret it!

West Bountiful 4th of July Celebration Scheduled

Mark your calendars for the West Bountiful Annual Independence Day Celebration. The Safety Fair, Concert and Fireworks will be held on Tuesday, July 3 at West Bountiful City Park. Food trucks will be available, so come hungry! On Wednesday, July 4, the parade will begin at 10:30 am following the regular route (beginning at 400 North and 800 West, going north to Pages Lane where they turn east to 600 West and end at the north West Bountiful Park parking lot). Park activities will follow the parade from 11:30 am to 2:30 pm. For questions about the parade, contact Shelly and Ron Murphy (Parade Chairs) at westbountifulparade@gmail.com or 801-808-5753, or Debbie McKean (Park Events) at debbiemckean@comcast.net or 801-231-8320 for more info.

The parade will include something new this year! We are looking for the best decorated 4-wheelers and golf carts to be in the parade. There is even a rumor that prizes may be given so use your imagination to come up with some unique designs. (There are great ideas on Google and Pinterest.)

WB Youth City Council News

The West Bountiful Youth City Council has been very busy this past year, and we are excited for the months to come. We hope to plan more service projects and we are looking forward to helping out in our community.

We are planning for our annual Easter Egg Scramble on March 31st. It

will be held at West Bountiful City Park beginning at 9 am sharp. Bring your kids/grandkids for a fun time!

Also, applications for the 2018/2019 term will be due April 30 for youth entering the 7th to 12th grades. Pick up an application at city hall or download one from the city website (under the Government tab).

One Person Makes a Difference for Everyone

We live in a great community, and our neighbors are good people. We as a whole want to believe in the best part of humanity, but despite all of this there are those out there that prey on others. LTC (RET) Dave Grossman spoke about society using the analogy of Sheep, Sheepdogs, and Wolves. (A great read if you're interested, it can be found on the internet.)

In this article I want to use that analogy, but on a little smaller scale. LTC (RET) Grossman talks about the denial of the sheep and how they don't want to believe the wolves exist, but the wolves will feed on the sheep without mercy.

The wolves prey on those they perceive as being weak, or in many cases they take the path of least resistance to get their reward.

So, what does this have to do with one person making a difference? We live in a community, and whether we like it or not, our individual actions affect others. If we make it easy for the wolves to come into our neighborhood and steal our property, or commit other crimes, then it puts everyone at risk. We have now invited the wolves with easy prey, and while they are here, they will take advantage of others.

We all need to move toward thinking like the sheepdog, don't make it easy for the wolves. Close your garage doors at night, if you see a neighbor forgot to close theirs, then call them and let them know. Don't leave your purse, wallet, phone, or other valuable items in your car even if you lock the door. The

wolves know how to break windows. Don't leave your purse in the shopping cart unattended, even for a moment, the wolves are fast. The wolves are very creative and will take advantage of any opportunity to relieve you of your property. Let's make it as difficult as possible for them to hunt in our neighborhoods, and they will move onto easier hunting grounds.

I am not saying that you should live in a hyper vigilant state all your life, but increase your level of awareness and help your neighbors when theirs might be down. Let's make sure the wolves know they are being watched and the sheepdogs will be coming for them. Let them know we are not easy prey and this community is full of sheepdogs!
