PUBLIC SAFETY FAIR

Community Highlights continued

The **2022-2023 Youth City Council** was sworn in at the city council meeting on September 6, 2022. The new officers and members have already participated in the Rotary Club's Coats for Kids charity event and the 4th of July parade. They are excited for the upcoming year as they plan more community service events, Christmas on Onion Street, the annual Easter Egg Scramble, and other fun activities.

Storm Drain - Any water that enters the storm drain system – including water that carries sediment, oil, grease, and other pollutants, - discharges into our creeks and eventually enters the Great Salt Lake. Improperly managed stormwater runoff is a leading cause of flooding which can lead to property damage, causes road hazards, and clogs catch basins and culverts. Typically, the only thing that can be discharged into our storm water is rainwater. If you see someone dumping material into the gutter or down the storm drain catch basin, report it to the city at 801/292-4486 or the 24 hour dispatch line at 801/298-6000

FALL CLEANUP

Arts Council News & Events

The West Bountiful Arts Council Fall/Winter Concert Series presents Doug and Laurie Vandegrift and children, October 14, 2022 at 7:00 pm at the West Bountiful City Hall. The Vandegrift family will sing and perform a variety of Broadway and Classic pop songs.

Doug and Laurie met in 1976 at Utah State University while Doug was majoring in Theatre and Laurie was majoring in Music. They married in September of 1977 and now have 5 children and 7 grandchildren. They have lived in West Bountiful for the past 18 years.

Over the past 40 years, they have performed in community theatre productions (Rogers Memorial Theatre) either individually, together, or with their children. For some of the productions, Doug was the director. Part of Doug's career was as a Story Board Artist. During his animation years, he was privileged to win an Emmy as a Director for Muppet Babies.

While raising their five children, Laurie has been a performer, costume designer, and a voice teacher. She has been giving individual voice lessons for the past 20 years.

In the 1980s, Doug and Laurie sang together in a band called Starlight Band. In 1997, Doug, along with the other guys from the Starlight Band, started the Endless Summer Band. Doug is the bass player and one of the lead performers for the Endless Summer Band. The band continues to perform today.

The Vandegrift family has enjoyed performing together throughout the years and look forward to sharing an evening performing in concert as part of the West Bountiful Arts Council Fall/Winter Concert Series.

We invite everyone to come and enjoy an evening with the talented Vandegrift family.

- The November 11, 2022 concert will be performed by Susie Carter, "It's Beginning to Look alot Like Christmas"
- We would also like to remind people about the art gallery at the city offices. The current exhibit showcases paintings by Doug Vandegrift.

New Public Works Building

Work is progressing on the new public works facility on 1200 N, with substantial completion targeted for December. This capital investment will support the services residents and businesses rely on each day, such as drinking water, roads, snow plowing, and parks.

Notes from the Chief

2022 Safety Fair

We were excited to bring back the annual West Bountiful Police Department Safety Fair after taking a long break during the pandemic. In the years past we have held the event around the 4th of July. This year's safety fair was held on August 26th at the West Bountiful Park. August is when police department's around the country host their National Night Out Against Crime events. These events promote police-community partnerships and neighborhood camaraderie which is a pillar to law enforcement success in the community. We value the working partnerships with our community members and businesses. We would like to thank everyone who came out this year to support the event and make it another successful year!
