PUBLIC INFORMATIONAL MEETING
FOR
OLD COUNTY ROAD PEDESTRIAN IMPROVEMENTS

The Town of Windsor Locks is providing a Public Informational Forum for the Old County Road Pedestrian Improvements project in the Town of Windsor Locks.

The project is currently in the Preliminary Design Phase. This project consists of pedestrian and safety improvements along Old County Road from Elm Street (Rte. 140) to Halfway House Road. The improvements include the construction of additional sidewalk, the installation of surface grade crosswalks and a Rectangular Rapid Flashing Beacon (RRFB) at Elm Street, a new raised mid-block crosswalk and RRFB near Candlewood Suites, the installation of a raised intersection and enhanced stop control at Halfway House Road, and improved signage at pedestrian crossings. Construction of this project is estimated to cost approximately $800,000. Funding for this project is available through the Connecticut Department of Transportation's Community Connectivity Grant Program.

Information regarding this project can be found on the Town's website on or after 12/3/2026. A virtual presentation by the Town will also be held on 12/3/2026 at 6:00 pm. The public is invited to review this information and/or attend the presentation via the link or the call-in number provided below. Comments, questions, and concerns may be submitted to the Town within 14-days of the presentation.

It is the Town's policy to keep persons informed and involved when such projects are undertaken. It is important that the community share its concerns to assist in the project's development. Anyone interested in obtaining further information or providing input may also do so by contacting Devin Cowperthwaite, Director of Public Works, Town of Windsor Locks at (860) 627-1405 or dcowperthwaite@wlocks.com.
